

# PEL's Participation in Global Petroleum Show 2014 From June 10-12, 2014

Held at Stampede Park, Calgary, Alberta Canada

Petroleum Exploration (Pvt) Ltd (PEL) participated in Global Petroleum Show 2014 held at Calgary, Alberta Canada from 10-12 June 2014. Large number of E&P companies from over 100 countries were present, Petroleum Exploration (Pvt) Ltd being one of them.

General Manager Exploration Mr. Shahid-ul-Khairi was deputed to attend the Show on behalf of PEL. He also had an opportunity to meet Honourable Oil Minister of the Province of Alberta at the opening night reception who was pleased with the representation of Pakistan and PEL in the Show. Mr. Shahid-ul-Khairi interacted with a large number of delegates. He also highlighted the friendly Petroleum Policies of Pakistan and lucrative incentives offered to multinational E&P companies to explore in the onshore and offshore basins of Pakistan.

The Show's primary focus was on technological advancements and innovations originating from the manufacturing side related to the energy sector dealing with production, supply chain, logistics, operational plants, power generation, specialty oil tools, enhanced oil recovery technology and various other disciplines.

PEL will continue availing the opportunities of attending the oil & gas related moots at national and international forums to learn more about technological development and innovation in oil & gas sector. The Global Petroleum Show 2014 was indeed very informative. The Company looks forward to more such events.
